Helicopter Rate Policy-

- 4 Flight Hour per daily flight minimum.
- 2 Flight Hour per half-day flight minimum, less than 4 duty hours away from home base.
- Hours charged for minimums without flight time have no fuel charges.
- Minimums are cumulative in consecutive days.
- Weather (no-fly) days at home base have no minimums.
- Weather days in the field are billed at the standard rate.
- Remotely cached fuel provided by Ridgeline will have additional charges.
